

IMPACT REPORT 2021

Beacon Group is proud to report outstanding results in fiscal year 2021. This past year, Beacon expanded on its mission by growing employment programs and expanding its presence across a variety of business segments. The organization continues to take the right steps towards growth and stability in service of people with disabilities.

"I like my landscaping crew because we worked like a team and because we are like a family. I go to work every morning. I feel so happy because I think about Beacon and how clean and safe it is."
